

Growin' Up Healthy

**Colusa County Family Faire
Invitation to Participate
Saturday, April 10th, 2010
10:00 A.M. – 2:00 P.M.
Colusa County Fairgrounds**

The Colusa County Local Child Care Planning Council and Community Advocates for Parents and Children are pleased to host the 8th annual Colusa County Family Faire. We look forward to another exciting event with participation from numerous community organizations and individuals. The Faire will be held Saturday, April 10th from 10-2 P.M. at Festival Hall. Those participating can set up either Friday, April 9th from 1-3 P.M. or Saturday, April 10th beginning at 8:30 A.M.

This year's theme will be "Growin' Up Healthy" with the focus on growing and eating healthy foods. We ask that participants think of this theme when designing their booth and/ or activities. If you are unsure as to how you might incorporate this theme or need ideas for appropriate activities, please feel free to contact the event organizers listed below for suggestions.

When designing your activity please be sure that it is appropriate and safe for children. All participants are responsible for their own set-up and clean up. This is a **free** event for children and families; please consider this when designing your booth. Space will be available for participants both in and outdoors.

Thank you for your interest in this event.

Sincerely,

Caroline Roady
